Brintons - making the world a more beautiful place

The world's leading manufacturer of high-quality woven carpets, bring you their first ever rug collection, alongside a brand new online rug shop, www.rugs-by-brintons.co.uk

With a reputation built on design innovation, product excellence, technical expertise and customer focus, these stunning rugs are woven with their latest pioneering High Definition Weave Technology, that allows Brintons to weave up to 32 colours. Giving customers unrivalled design definition and colour choice.

This beautiful collection of rugs are taken from genuine 1950's hand painted designs within Brintons extensive archive. Re-coloured with influences from today's interior trends, they bring customers retro style with modern colouration.

The 'Mimosa' rug above is inspired by a design from Brintons archive which was commissioned and created by the artist Matisse in 1951.
