SUPPLY & INSTALL

SERVICE PACKAGE

When it comes to flooring, we offer best in class solutions for commercial interiors.

Platinum is our commercial turnkey solution, which provides end-to-end project management support from the very start of your project right through to installation.

With our Platinum package, there's no need to appoint contractors to manage your installation or engage in multiple supplier arrangements. We will oversee and manage the whole process for you, reducing your exposure and giving you greater control over your project.

Exceptional service delivery

We work with a network of Brintons approved contractors, experts in the installation of our products.

They use our own adhesive and underlay system, so you can be assured your Brintons carpet will be installed correctly and to our rigorous standards.

Reduced risk

Let us take on the risk. Lower your exposure by appointing one supplier to manage the entire process.

Extended warranty

Our Platinum installation package comes with an extended warranty, giving you peace of mind that you have chosen the best flooring solution for your project.

**EXCEPTIONAL SERVICE,
REDUCED RISK &
EXTENDED WARRANTY**

OUR COMMITMENT TO YOU

We want you to expect the very best from Brintons - in terms of design, product quality, performance, project delivery, aftercare and service.

Your Brintons team is committed to giving you an unrivalled experience. We're passionate about what we do and you can be confident that we will deliver the best result for your project.

ADHESIVES

We use our own adhesives to guarantee you the highest standard of commercial flooring installation. Used in conjunction with our Brinlay underlay system, you can be sure you will get the best possible performance from your Brintons carpet.

BRINTONS 007

Water based carpet adhesive with a prolonged open time, for large commercial installations. It can be used in both double bond and direct stick installations.

BRINTONS 009

Pressure sensitive adhesive, formulated to adhere dual bond underlays in double bond installations.

BENEFITS

- Green star compliant
- Solvent free
- Low VOC emissions
- Anti-microbial formulation
- Low odour
- Australian made

Brinlay

Investing in a good quality underlay contributes significantly to the performance of your carpet - it's underfoot comfort, sound absorption properties and the effective wear life of the carpet.

Brintons Brinlay 7mm dual bond underlay is an SBR rubber sponge underlay designed specifically for double bond commercial installations.

Choosing Brintons Platinum package with Brinlay, not only extends the performance of your Brintons carpet, it's also part of our ultimate warranty upgrade for added peace of mind.

FEATURES

- Dual bond installation
- Suitable for high traffic areas
- Heavy commercial use
- Exceptional recovery properties
- Very high comfort level
- Fire retardant (AS2404)
