Brintons has worked with ID Collaborative to create 14,000yd² custom designed axminster carpets for the senior living residences at River Landing at Sandy Ridge, North Carolina, US.

Durable Brintons axminster patterns in four different combinations – calming blues, vibrant orange-reds, welcoming greens, and harmonious neutrals – flow throughout the space highlighting different areas to assist in wayfinding.

In anticipation of the amount of harsh cleaning and possible spills ID Collaborative also specified 1kyd² of Brintons SDN axminster carpet.
